## Camano Troll 31 Fyna-Lee

Have you heard the boating phrase - seats six for cocktails, four for dinner and sleeps two? That's exactly the sentiment behind the Camano 31' design. This boat is perfect for a couple. Her cruising capability is versatile. She is great for weekend travels or longer voyages up north to Alaska.

**Fyna-Lee** is a one stateroom, one head trawler with a huge salon and galley down. From the cockpit you can access the roomy flybridge and upper helm with seating for five. Walk in the salon and it is open and airy with a lot of light and bright visibility. You can easily seat six at the settee on the port side and if you have company, the settee converts to a guest bed. To starboard is the lower helm.

Regarding fuel and speed, this boat burns one to two gallons per hour at seven to nine knots in normal water conditions but she can cruise up to 15 knots!

**Fyna-Lee**, let's coordinate a time to meet here in Anacortes to see this Camano Troll!
